

Victoria Falls : Travel Update : 2009

Currency / Credit Cards

Credit cards are still not accepted although it is anticipated that this situation will change later in the year.

Currencies: US Dollar, South African Rands and Botswana Pula accepted everywhere. There are no coins currently in circulation - take small denomination notes and be prepared to barter for change.

Food: shelves have been restocked everywhere.

All food has been imported from South Africa and neighbouring countries although local production has not yet started.

Health: Although there has never been any reported cases on cholera in the Victoria Falls district, countrywide cholera is coming under control and more so during the dry season. Take the normal health precautions.
